How are we different?

Exemplary Teaching Matters to Us: We understand, develop, and support great teaching. Achievement Prep teachers receive frequent feedback on their instruction from leaders who believe that outstanding teaching is the only way to close the achievement gap.

Our Team is Motivated: We are a determined team of educators who push one another to create and to sustain an outstanding environment for teaching and learning. We are driven by a belief that the quality of our instruction has the most immediate impact on our ability to achieve our mission.

We Achieve Incredible Results Together: Achievement Prep has been consistently rated as a Tier 1 school by the DC Public Charter School Board. Our scholars are among the highest performing students in the District of Columbia.

Our Teachers are Leaders: Teachers at our school also make an impact outside the classroom and have the opportunity to take on school responsibilities including curriculum design, family partnerships, culture building, and school planning.

Our Team Goes Above and Beyond: We believe that more time on task helps our scholars and teachers achieve great results. Our scholars attend school from 8am to 4:15pm Monday, Tuesday, Thursday, and Friday, and 8am to 1:30pm on Wednesdays. Achievement Prep teachers close the achievement gap from 7:30am to 5:00pm Monday through Friday.
