We are committed to establishing and maintaining an open and respectful line of communication between families and Achievement Prep staff, each of whom has their own phone extension and e-mail address. Families should contact staff by telephone or e-mail and understand that we will try to return calls within 24 hours in the event that a message is left. Families will also have an opportunity to meet with staff during the three scheduled parent-teacher conference days. In addition, meetings can be arranged at any time by appointment. If a parent needs to see a staff person more immediately, the parent should report directly to the Main Office, which will facilitate the soonest possible contact.

Our Mission

Achievement Prep prepares students to excel as high-achieving scholars and leaders in high school, college and beyond.

BE THE DREAM

Our Expectations

Achievement Prep is built around its five core DREAM values: **D**etermination, **R**espect, **E**nthusiasm, **A**ccountability and **M**astery. These values set very high standards for both Scholars and staff alike. At Achievement Prep, it is not enough to simply stay out of trouble. DREAM requires that Scholars respect teachers, classmates, and property, that they participate actively in class, that they produce top quality work in all their classes, that they help their classmates, and that they come to school every day on time, enthused and prepared to learn. Teachers use the DREAM values to set classroom and school-wide expectations for good behavior.

RESPONSIBILITY AND ACCOUNTABILITY

Scholars, Families, and Teachers

The Achievement Prep Scholar Family Handbook, represents some of the most important responsibilities for being a member of the Achievement Prep community. For Scholars, the handbook provides an overview of what being an Achievement Prep Scholar is all about. For families, the handbook outlines some of the specific expectations the school will hold you to in order to provide the best possible education for our Scholars. In exchange for what Scholars and families do, the faculty and administration of Achievement Prep will work tirelessly to provide Scholars with a safe and orderly environment in which they can achieve academic success.

SCHOOL POLICIES AND PROCEDURES

A. Hours of School Operation

In the pursuit of excellence, Achievement Prep has an extended school day and school year. This gives Scholars more time for academic growth and non-academic enrichment. It also gives Scholars the time and support needed to make great strides in realizing their potential, both academically and personally.

Mondays, Tuesdays, Thursdays and Fridays, the regular school day is from 7:30am until 4:00pm. **On Wednesdays, the regular school day is from 7:30am until 1:30pm.**

The school building will open to Scholars at 7:15am on Monday-Friday. Because there is no adult supervision and for safety concerns, Scholars should NOT be on premises before 7:00 am. **All Scholars must arrive to school by 7:30am. Please Note: Scholars who arrive close to 7:30 am may not have enough time to finish their breakfast. Therefore, if parents and guardians want their scholar to receive breakfast, the scholar must arrive at school no later than 7:40 am to have enough time to eat without feeling rushed. WE STOP SERVING BREAKFAST AT 7:45 AM SHARP.**

On Mondays, Tuesdays, Thursdays and Fridays, Scholars should not be on school grounds after 4:00pm without permission from the school. On Wednesdays, Scholars should not be on school grounds after 1:30pm without permission from the school.

Inclement Weather Closings

In the event of poor weather conditions such as heavy snow or ice, please listen to the local television or radio stations for relevant information regarding school cancellation. **EFFECTIVE FOR THE 13-14SY, Achievement Prep follows the delay and cancellation policies of the District of Columbia Public School system.** If District of Columbia Public Schools are closed or delayed, this means that Achievement Prep is closed or delayed. Families should check their local listings and/or call the school's hotline **202-562-1214** for information regarding inclement weather decisions.

Achievement Prep will advertise school closing on the following television channels:

- ABC WJLA – channel 7
- Fox – channel 5
- NBC – channel 4

B. Attendance Policy

Given the fast pace and high rigor of Achievement Prep's curriculum, **missing one day at Achievement Prep can have a detrimental effect on a Scholar's learning.** Regular attendance is mandatory. **Parents should call the Main Office at 202-562-1214 by 8:30am to notify the school that the Scholar will be absent.**

Families are expected to ensure that their Scholar is in school; please do not allow your Scholar to miss a day of school except for serious illness. Excessive absences will be considered a violation of the Achievement Prep Code of Conduct. We ask that families not schedule vacations or non-emergency appointments during school time. **Families should take advantage of 1:30pm dismissal on Wednesday, as well as school holidays and vacations, to schedule appointments and travel.**

All Scholar absences, including illness, suspension, appointments, vacations, excessive incomplete days, etc. count as absences. **Achievement Prep does not distinguish between excused and unexcused absences. If a Scholar exceeds 20 absences in a school year, Achievement Prep reserves the right to retain the Scholar in his/her current grade.** Exceptions are made for long-term, documented hospitalization (2 or more days), court-mandated appearances with proper documentation, death of a relative, and religious observances. Additionally, Scholars are afforded rights under Section 504 of the Rehabilitation Act (“Section 504”), the Americans with Disabilities Act (“ADA”), and the Individuals with Disabilities Education Act (“IDEA”) should their absences be related to a disabling condition. Other rare exceptions may apply. **Parents should call the Main Office at 202-562-1214 8:30am to notify the school that the Scholar will be absent.**

In order to help ensure that Scholars do not exceed 20 absences, Achievement Prep has certain support policies in place. They are detailed below:

- The school will contact the family by phone the same day any Scholar is absent.
- At 3 Scholar absences, Achievement Prep will contact the family in writing.
- At 5 Scholar absences (or four absences within the first two months of school), Achievement Prep’s administration will require a meeting with the Scholar’s family and the Families and Community Coordinator and/or Director of Family and Community Engagement, during which an Attendance Pledge will be established aimed at ensuring attendance patterns improve.
- At 7 Scholar absences, Achievement Prep’s administration will require a family meeting with school administration to discuss violation of the Attendance Pledge.
- At 9 Scholar absences, Achievement Prep will notify Child and Family Services Administration (CFSA) of such attendance.*
- Scholars who are absent for any reason, excused or unexcused, will lose DREAM Dollars on their weekly paycheck.
- In cases of excessive absences or if concerns arise, Achievement Prep may report the Scholar and/or family to certain state agencies or file an official complaint with the court prior to any of the dates above.
- **Achievement Prep reserves the right to retain a Scholar in his/her current grade should he/she exceed twenty (20) absences in a school year.**

***PLEASE NOTE** – DC law required schools to notify Child and Family Services Administration (CFSA) of any child under the age of 16 who has been absent from school, without excuse, for ten (10) or more days. At nine (9) unexcused absences, Achievement Prep will notify CFSA of such absences.

Scholars who are absent from school cannot attend or participate in any school-sponsored activities occurring on the day of the absence, unless the school has given advance permission.

Achievement Prep keeps accurate records of attendance and will make the records available for inspection by the District of Columbia Public Charter School Board (DCPCSB) as needed. All questions regarding Scholar attendance and attendance records should be directed to the school's Office Coordinator.

If a Scholar is absent for the first five days of school, or at least ten consecutive days during the school year, and there has been no successful contact between the family and the school to explain his or her absences, that Scholar may lose his or her seat at Achievement Prep and may be considered un-enrolled from the school.

C. Homework and Homework Hotline

Homework is an essential component of Achievement Prep's academic program. Scholars have four daily responsibilities related to homework:

- Write down all homework assignments in their scholar planners.
- Complete all homework assignments to the high standards set forth by the school.
- Read independently for 20 minutes.
- Show completed homework assignments to a parent and receive signatures only if the parent feels that the completed homework meets Achievement Prep's high standards.

Homework Hotline – 202-562-1214 (follow prompts)

If a Scholar is absent, or is present but did not copy down or would like to check his or her assignments, he or she can call the school homework hotline after 5:30 PM to listen to the current day's homework assignments on the school's voice-mail system. We also encourage all families to call the Homework Hotline in order to check the day's assignments. Please note that the school expects each scholar to write down his or her homework in each class, each day, in his or her scholar planner. Without any guarantees, the school will do its best to ensure that the voice mail is continuously accessible and reflects the most current list of assignments.

D. Make-Up Work Policies

Scholars who are not in school miss critical academic assignments and assessments. Our school make-up policy is designed to hold Scholars accountable for all missed assignments and assessments, as well as to ensure timely make-up work such that Scholars do not fall behind academically.

Absent Folders. If a Scholar misses a class for any reason (absence, lateness, and early dismissal), the Scholar's missed Homework assignments will be compiled in a folder marked with the scholar's name. **We strongly encourage Scholars or their families to pick up the scholar's work after 4:00pm on the day of the absence.**

Homework for academic credit. If a Scholar is absent for any reason, all missed Homework assignments are due:

- By 7:30am on the day following the Scholar's return, for the purposes of academic credit. (If a Scholar has been absent for more than one consecutive school day, he/she will have as many school days as absences to submit missed Homework for purposes of academic credit. For example, if a Scholar is absent on Monday and Tuesday, the Scholar has two days to complete the Homework for purposes of academic credit. In this case, the work is due by Friday morning at 7:30am.)

Assessments. If a Scholar is absent for any reason (up to five consecutive days), all missed assessments (e.g., tests, quizzes) must be made up within the number of consecutive school days that the Scholar had been absent. For example, if a Scholar had been absent for three consecutive days, he/she would have three school days to take the missed assessment. If a Scholar is absent for five or more consecutive school days, he/she must meet with one of the Co-Directors of Academic Achievement to determine a reasonable timeline for making up missed assessments. NOTE – the school reserves the right not to allow assessments missed due to tardies or early dismissals to be made up for academic credit.

In rare circumstances, a school administrator may grant exceptions to the make-up policy.

E. Uniform Policy/Dress Code

Achievement Prep has a strict, non-negotiable dress code. The dress code applies during all school days and during all school-sponsored events (unless otherwise stated in writing by the school).

The Achievement Prep dress code has been adopted to improve the educational environment for all Scholars. Specifically, we have instituted a dress code for the following reasons:

- the mission of Achievement Prep is to prepare students to excel as high-achieving scholars and leaders in high school, college and beyond. In light of this, all Scholars will be taught how a scholar acts, how a scholar presents him or herself in appearance, and the skills necessary to be a scholar. The school believes that Scholars appear more scholarly when they are wearing an attractive uniform, and it also believes that Scholars will act more scholarly because they will feel good about their appearance;
- to foster a sense of school identity and community. At Achievement Prep we operate as a team. Just as members on a sports team are required to wear a uniform in order to show their strength in unity, so too are Scholars of the Achievement Prep team;
- we are committed to creating a safe and structured environment where both Scholars and staff feel secure at all time. We wear uniforms to support these efforts as uniforms increase school safety and security by making the presence of visitors/outside immediately apparent; and
- although families are required to purchase uniforms, overall the cost of our uniforms, in comparison to the cost of traditional school clothing, will reduce the cost of clothing families need to purchase for the school year.

Enforcement of Dress Code Policy

It is the goal of the school to have a dress code that makes things easier for parents and Scholars rather than more difficult. For that reason, we have made every effort to be clear about this policy

and consistent in its enforcement. Families who have questions or concerns should contact the school immediately and seek clarification.

Like all school policies, the dress code policy is strictly enforced. Although it may seem as if small exceptions should be no problem, we can not allow deviations from this code. Our staff does not have the time to inspect every item for acceptability or exception. If the policy states “shoes should be all black,” it means just that. It is important that all Scholars adhere to the same code. If an exception is made for one Scholar, it would then have to apply to all Scholars, and the code has changed. It is in the best interest of everyone if Achievement Prep means what it says and says what it means. Please read the code and purchase school clothing accordingly. We have tried to make the policy clear and detailed in order to reduce ambiguity. Families who have concerns or questions should contact the school immediately.

Scholars who are out of dress code are NOT allowed to attend their classes. Families of Scholars who are not in dress code will be asked to bring the proper attire to school or the scholar will need to be picked up from school. In addition, dressing inappropriately may result in disciplinary consequences.

The Achievement Prep dress code is not intended to suppress speech or expression. Scholars have alternate ways to express themselves through, among other things, verbal and written speech in the classrooms.

Purchasing of Clothing

Families must purchase all major components of the uniform from Risse Brothers (112 Berwyn Road, College Park, MD 20740, or via internet at www.rissebrothers.com, school code: AC1474). **All clothing (except the dress pants) from Risse Brothers will have the Achievement Prep logo on it.**

There are two dress codes at Achievement Prep. There is the **Spring Uniform** and the **Winter Uniform**. Every Scholar is required to have both. Families may choose to purchase the uniforms separately in order to defray the cost so long as the uniforms are ordered AND received prior to the date the respective uniform changes. In order to ensure timeliness, families should order (and have in their possession) Winter uniforms by no later than October 15th. **NOTE:** Exceptions to the uniform policy will not be made due to the untimely ordering or receipt of the uniform except in rare cases where it is a direct result of action or inaction on the part of the vendor.

Hats worn in the school building will be confiscated. **Dyed hair** or a hairstyle that serves as a distraction—as determined in the sole discretion of the school— is not permitted.

 - excessive jewelry, tongue rings, glitter, press-on nails, etc. are not allowed
 - girls’ earrings must be professional and smaller than the size of a U.S. quarter.
 - **NOTE – boys are not allowed to wear earrings to school. Gentlemen with earrings will be asked to remove their earring(s) prior to entering the building. NO EXCEPTIONS**
- **Chains and necklaces** may only be worn beneath Scholars’ shirts.
- When Scholars **enter the school building**, they must be in the proper uniform. Scholars must be in uniform while on school grounds and may not change out of their uniform before dismissal.

- Scholars may not use beepers, headphones/music equipment (e.g. CD-players, iPods, etc.), or cell-phones while in the school building, even if it is before or after school. These items will be confiscated and the Scholar will be subject to disciplinary consequences.

F. School Supplies

The school will publish the supply list required for Scholars at the beginning of the school year. Scholars are not required to bring any additional supplies to school outside of the required school supplies at the start of the year. Each day scholars should bring a DEAR (or independent) reading book.

Scholars should not bring non-essential items of value to school – monetary or otherwise – since they cannot be securely stored. Although Achievement Prep prides itself on being very safe, the school does not accept responsibility for any missing items of value. Scholars who bring inappropriate items to school, including but not limited to toys, iPods, CD players, laser pointers, beepers, pagers and **cell phones**, will have such items confiscated. A parent or guardian must come to the school to retrieve the confiscated items, as Scholars may not retrieve confiscated items themselves. Repeated violations will result in school issued consequences.

G. School Breakfast, Lunch, and Snacks

Breakfast and lunch. The school participates in the National School Breakfast and Lunch Program, which provides free or reduced price meals and free milk to eligible Scholars. At the beginning of the school year, each family will be given an application to complete. Once the application for free or reduced meals has been returned to the school, families will be notified in writing of their eligibility. Scholars who do not qualify for free or reduced meals may purchase meals by paying in advance at the main office. Accounts will be created for paying scholars.

Breakfast: Breakfast is served from 7:15 until 7:45 each day. Scholars who arrive after 7:45 will not be served breakfast. **Please Note: Scholars who arrive close to 7:30 am may not have enough time to finish their breakfast. Therefore, if parents and guardians want their scholar to receive breakfast, the scholar must arrive at school no later than 7:40 am to have enough time to eat without feeling rushed. WE STOP SERVING BREAKFAST AT 7:45 AM SHARP.**

Lunch: Scholars may either purchase lunch and milk from the school or bring their own lunches from home. Since school lunches are prepared off-site, the school must have an accurate number of meals that Scholars wish to order and must place that order with the caterer one week in advance of the meal. Every month a school menu will be available on our website (www.aprepacademy.org) or at the school so families can decide if they would like to order lunch for a particular day. **Scholars who do not pay in advance for their meals will not be provided meals from Achievement Prep.** Scholars are welcome to bring a lunch from home. They will not have access to a microwave to heat any lunches.

Achievement Prep is a NO GUM, CANDY OR SODA CAMPUS. Candy, soda and gum are not allowed at Achievement Prep. Any Scholar drinking soda, eating candy or chewing gum will be asked to throw these items away and will receive an automatic detention. Soda or candy included in lunch will be confiscated. Please do not send soda, candy or gum in scholar lunches.

Food Allergies: The school will make all reasonable efforts to accommodate Scholars with food allergies. Parents are required to inform the school of all food allergies and their severity. A parent of a scholar with food allergies is responsible for providing breakfast and lunch for his or her own scholar.

H. Grading Policies

Achievement Prep Scholars take 5 core academic classes--mathematics, reading, writing, social studies and science--during a given school year. Except for Wednesdays, all classes are 55-minute periods. Scholars will take double periods of mathematics and English language arts each day.

The school year is broken into four quarters. The quarters are long enough (approximately 10 weeks) to allow Scholars multiple opportunities to demonstrate mastery of specific skills. At the end of each quarter, Scholars will receive grades in all classes. The grading scale is as follows:

100% - 90%	A	Scholars receiving an A grade demonstrate a deep mastery of the content and skills that have been taught.
89% - 80%	B	Scholars receiving a B grade demonstrate a solid mastery of the content and skills that have been taught.
79% - 70%	C	Scholars receiving a C grade have significant skill or content deficits. The quality of their work just meets minimum requirements.
69% - 0%	F	Scholars receiving an F grade do not demonstrate enough mastery of the content and skills that have been taught in class. They have major skill deficits that require additional instructional resources and student effort.

Report Cards - - At the end of each quarter, Scholars will receive formal Report Cards with detailed information about their performance in each subject area. On each Report Card, Scholars receive one grade per subject area. All grades are based on a 0 to 100% scale. Promotion to the next grade is dependent upon sufficient mastery of all subjects. Sufficient mastery in a subject is indicated by a grade of 70% or better. **Achievement Prep does NOT mail or send home report cards.** **Families are required to come to school on the designated parent-teacher conference days to pick up their Scholar's report card.** During these conferences, teachers should be prepared to discuss with each family the progress of their Scholar. Families will also be encouraged to problem-solve with the help of teachers to determine strategies to maximize the performance of their Scholar.

Final Grades - The final, year-end grade for a course is the numerical average of the four quarters. Grades are rounded to the nearest whole number. If a student receives a yearly grade lower than 70%, he or she fails that course for the school year.

Progress Reports - To increase communication with parents, teachers will prepare **mid-quarter** progress reports. The Progress Report is *not* part of the Scholar's formal academic record. Rather, the Progress Report is to communicate with families and Scholars about how the Scholar is progressing throughout the quarter. Progress reports include a letter or numeric grade indicating the Scholar's performance. A family whose Scholar is failing a course may be required to meet with the teacher of that course within one week of receiving the progress report. Based on the Progress Report, parents/guardians may request a conference with any teacher by calling the teacher directly.

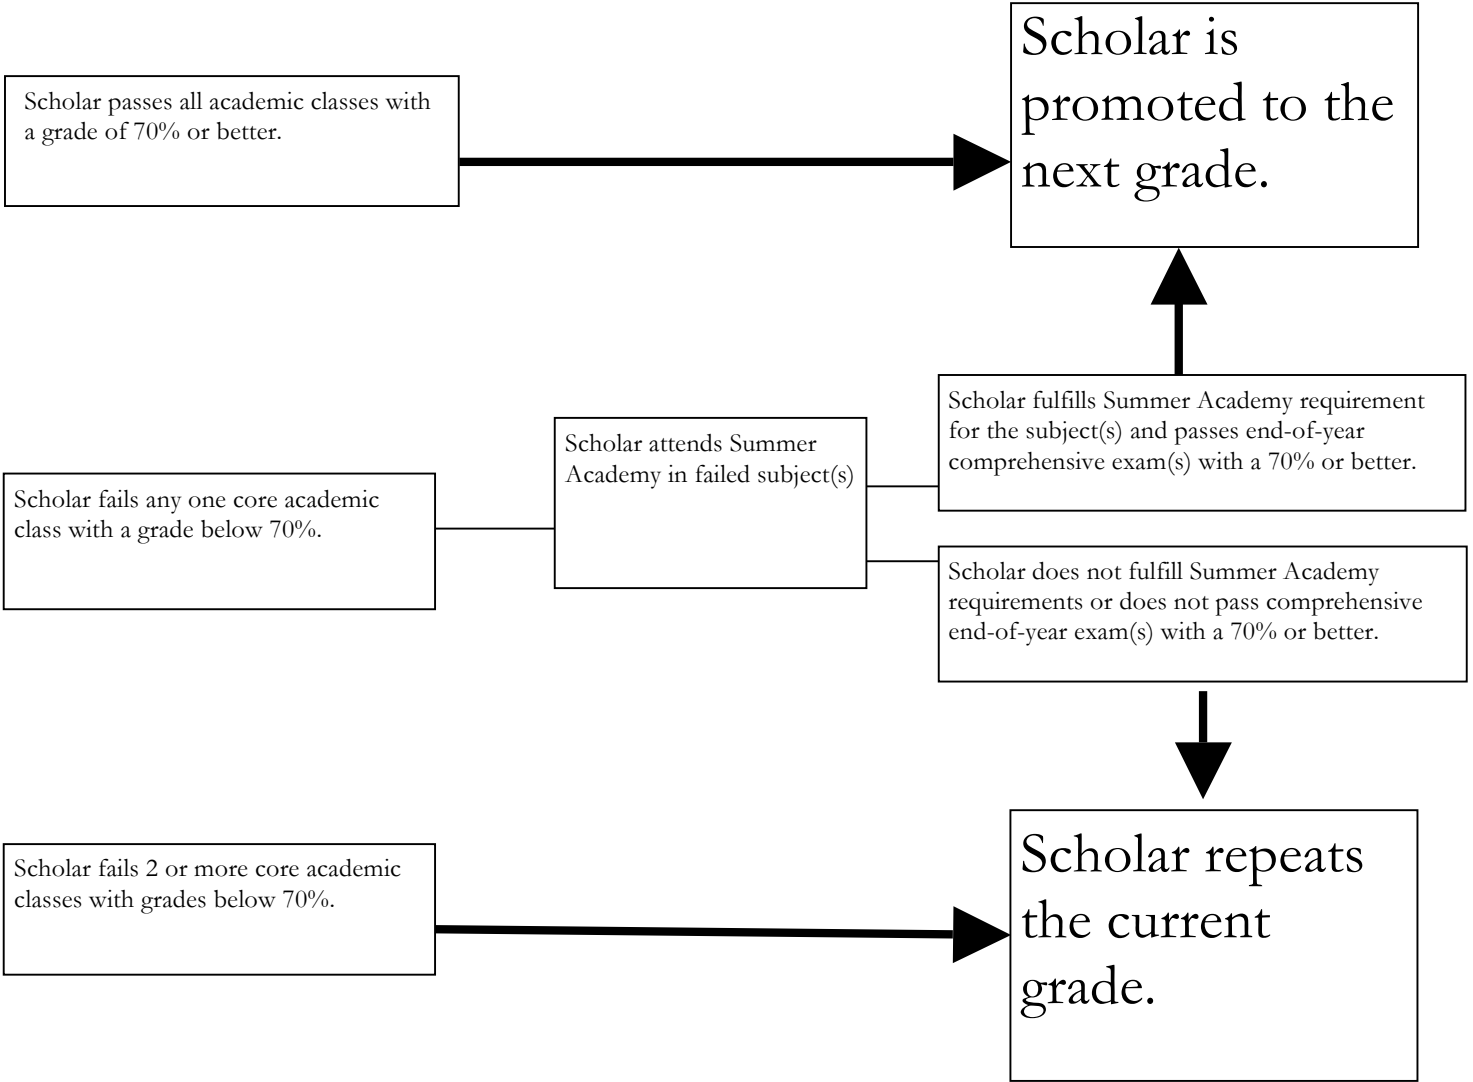

Honor Roll - At the end of each quarter, an Honor Roll will be published. The first list will recognize Scholars with all grades above 90% (High Honors). The second list will recognize Scholars with all grades above 80% (Honors).

Honorable Mention -At the end of each quarter, teacher teams will nominate Scholars who have shown the most consistent effort across several academic categories (e.g., Homework completion, organization) during the preceding quarter. These Scholars will also be recognized at the Honor Roll ceremony.

I. Promotion Policies

One of our DREAM values is Mastery and we will do whatever it takes to support a Scholar in mastering the content put before him/her. We believe that promotion of a Scholar who has only passed some of his/her classes and has not fully mastered the underlying content would be a disservice to that Scholar. It is our goal that all Scholars are truly prepared for high school, college and beyond as demonstrated by content acquisition and mastery; not our like/dislike, empathy or personal thoughts of or about a particular Scholar. While Achievement Prep offers a wide array of academic supports, there will be no grade inflation and no social promotion.

The next page depicts a flow chart of our promotion policy

J. Scholar Support Team (SST)

Achievement Prep has created a Scholar Support Team to provide support to a Scholar who is struggling, either academically or behaviorally. The Scholar Support Team consists of teachers, administrators, support staff members, families, and the Scholar.

What is the function of the team?

The S.S.T. is charged with creating a plan that will support the Scholar in areas in which he/she is struggling. The team will discuss specific strategies that they will use in order to promote the success of the child. This plan must be documented by one of the individuals in the team and this documentation must be shared with the rest of the team. Each member of the team should sign a copy of the plan prior to the end of the meeting indicating that everyone is aware of the interventions that must be implemented. It is imperative that the family and the scholar are aware of this plan in order for it to be effective. Copies of the intervention plan should be kept by all members of the S.S.T.

What is my responsibility as a member of an S.S.T.?

Individuals who are a part of an S.S.T. are required to attend an initial meeting with other team members. At this meeting, individuals will be responsible for sharing areas of strength and weakness of the child for whom the team was assembled. Although a verbal description of these areas is a good starting point, documentation should be provided whenever possible.

In addition to providing initial documentation and feedback regarding the child's progress, individuals on the Scholar Support Team are responsible for creating an intervention action plan which will be implemented in order to support the scholar. All individuals on the team should participate in the creation of this plan because every member of the team will be responsible for implementing the plan in full once it is created. This plan will include specific interventions that will be used to help support the scholar, while also indicating a specific time when the team will reconvene. A plan is typically implemented for 6 weeks before review, however this time period can be shortened if the team chooses.

Once the plan has been fully developed and agreed upon as indicated by team members' signatures, individuals who participated in developing the plan are responsible for ongoing implementation. This implementation may occur in the classroom, hallway, or even outside on the playground, depending on the area of weakness the team is working to support. It is essential that all team members adhere to the plan and document the actions being taken that support the scholar. This documentation will be essential when the team reconvenes at the designated time.

Members of the S.S.T. are responsible for revisiting the initial plan and determining which aspects of the plan were successful and which were unsuccessful. These decisions should be based on evidence from the documentation that the team provides. Aspects of the plan that proved to be successful will remain a part of the intervention plan. Less successful components of the plan should be adjusted as the team sees fit. All team members must again sign the intervention plan and agree to implement the plan in full. A timeline should also accompany the new plan that will indicate when the team will reconvene.

It is critical for all members of a Scholar Support Team to recognize that this is an ongoing process that is developed and implemented in order to support scholars in areas of weakness. The intervention plan created by the S.S.T. is a living document and can be adjusted when the team is fully assembled and agrees to implement changes.

What types of interventions can the S.S.T. choose to support a scholar?

Example: A child is struggling with reading comprehension. (Academic)

Possible interventions:

- Pictures or diagrams will accompany text whenever possible.
- Text will be broken down into smaller segments and pre-reading and post-reading questions will accompany each segment.
- Scholar will receive one hour of individual pull-out work per week with either the literacy specialist, or the Director of Academic Achievement that focuses on comprehension
- A member of the Achievement Prep staff will read the same DEAR book as the scholar and will discuss the book with the child during lunch at least 2 days per week.
- The child will attend small group tutoring with the literacy specialist during the study hall period at least twice a week.
- The scholar will be enrolled in the Saturday Program

Example: A child is struggling to remain focused in class. (Behavioral)

Possible Interventions:

- The scholar will be seated at a desk in the front of the room away from the windows.
- The scholar will be reminded to clear everything off of his/her desk that is not essential to the learning activity.
- The scholar will carry around a focus chart to each of his/her classes throughout the day.
- The scholar will receive a star sticker on their focus chart for every 10 minutes that they successfully remain on task.
- The scholar will be allowed to take a two minute break outside of the classroom door in order to regain focus. This intervention is only allowed 3 times per day and will be noted on the child's focus chart.
- Directions will be written in the form of a checklist and should be delivered both orally and visually.

Who is eligible to be referred to the S.S.T. process?

Any scholar who is experiencing ongoing academic or behavioral struggles is eligible for the S.S.T. process.

Who can refer a child to the S.S.T. process?

A child can be referred to the S.S.T. process by a teacher, an administrator, a support staff member, a member of the child's family, or by the child.

What should I do if I feel as though a child should be referred to the S.S.T. process?

If at any time a member of the Achievement Preparatory Community believes that a scholar is in need of the S.S.T. process, he/she should fill out the S.S.T. referral form and turn it in to the Director of Academic Achievement. The form must be completely filled out and documentation that shows

evidence for the need for support should accompany the form at the time it is turned in. This documentation can be a copy of a homework assignment, in-class activity, exit-ticket, behavioral write-up, or DREAM dollar form. The Director of Academic Achievement will contact members of the team no later than 5 days after the form and documentation are submitted to inform them about the time and place of the initial S.S.T. meeting.

Do not assume that a child in need has been referred to the S.S.T. process by another member of the community! The sooner the S.S.T. referral form has been turned in with documentation, the sooner a child will begin to receive the support of a team.

K. Scholar Advisory and Advisors

We have created an Advisory system whereby two teachers (collectively, “Advisors”; individually, the “Advisor”) is ultimately responsible for monitoring the performance of his/her Advisory class. Scholar Advisories are named after the alma mater of the Advisor (e.g., Hampton K, George Washington 1). All administrative forms (e.g., permission slips) are collected by Advisors on a daily basis during AM Prep for Prep. At least one of the Advisors is also one of the academic core teachers for his/her Advisory. The Advisor works diligently to make sure that no Scholar ‘falls through the cracks.’ Your Scholar’s Advisor will be observing and working with your Scholar in both social and academic settings for a significant portion of their time here at Achievement Prep. That Advisor also serves as an important resource for other teachers. If a teacher is having a difficult time with a class as the whole and/or a problem with a particular Scholar, the Scholar’s Advisor is notified and works with the class and/or the Scholar to get back on track.

Advisors serve as academic advocates for their advisees and are the prime points of contact for teachers or parents when an overall perspective of a Scholar’s academic situation is needed. The academic Advisor’s main responsibilities include:

- Meeting with their advisee groups each morning and afternoon.
- Maintaining contact with the families of their advisees at least once per month. These are phone calls and/or meetings where the progress of the Scholar is discussed in-depth and records of the conversation are kept.

The role of the Advisor is primarily to monitor academic progress though Scholars may wish to refer to their Advisors for guidance in other areas as well. The Advisor is the first person you should contact with questions about your Scholar’s academic progress.

CODE OF CONDUCT

A. Purpose

Achievement Prep has created a Code of Conduct in order to:

- ensure that our school is a respectful space for learning,
- allow Scholars to focus on their learning, and
- prepare Scholars to become high-achieving scholars and leaders who follow rules set by our communities.

The Code of Conduct describes behaviors that Achievement Prep considers inappropriate or unacceptable (which we will call “behavioral infractions”) and the consequences of those behaviors.

B. Our Philosophy

Scholars who do not meet the school community’s clearly defined standards for reasonable and acceptable behavior will not be permitted to disrupt the education of others. Without a firm and consistent discipline policy, none of what we envision for the school can happen. This is the basis of our Code of Conduct.

C. Behavioral Infractions

The following list of behavioral infractions is not comprehensive; *it only offers examples of inappropriate or unacceptable behaviors*. While we have stated possible consequences for certain behavioral infractions, Achievement Prep staff has sole and absolute discretion to determine the consequence of each behavioral infraction.

A school-related behavioral infraction refers to the violation of this Code of Conduct occurring:

- while the Scholar is on school grounds (including, but not limited to, areas immediately surrounding the school, including bus stops and nearby streets where scholars regularly walk to and from school) or school-related transportation;
- during school-sponsored activities and trips;
- during all other school-related events; and
- off of school grounds that results in substantial disruption to the learning environment.

Scholars are expected to always respond respectfully to the authority and direction of school staff. Behaviors that are considered disrespectful include, but are not limited to: rolling of the eyes, making inappropriate remarks or sounds in response to a request, or questioning a staff person’s action or authority in a disrespectful manner. Such disrespect will not be tolerated.

At Achievement Prep we seek to help Scholars become mature young adults. To that end, while we will not tolerate disrespect, we do allow for Scholars to express disagreement in a respectful manner. The school has developed routines and procedures that enable Scholars to easily express such disagreement with respect for all involved. Failure to disagree respectfully will result in further consequences.

D. Individual Accountability – Weekly Paychecks

Achievement Prep has developed a Scholar Paycheck system to provide Scholars, families, and teachers with a frequent, comprehensive report of Scholar performance. A Paycheck is comprised of DREAM Dollars (imaginary funds). A Scholar’s weekly Paycheck total is impacted by his/her fulfillment of behavioral, academic, and attendance expectations.

All Scholars receive Paychecks of DREAM Dollars every Wednesday. Each Wednesday (Paycheck weeks begin on Wednesday and end on Tuesday), a Scholar’s Paycheck starts at **One Hundred DREAM Dollars (\$100.00)**. Simply by **meeting** school expectations throughout the “paycheck week”, Scholars can increase, decrease or retain their beginning balance of **One Hundred DREAM Dollars (\$100.00)**.

Amount	Rewards
\$100 +	<ul style="list-style-type: none"> · Century Club-lanyard, dress down day · DREAM store · Potential Scholar baller band/picture · Preppie and Proud · Platinum Scholar Status (Legacy only)
\$99-85	<ul style="list-style-type: none"> · DREAM store · Preppie and Proud · Platinum Scholar Status (Legacy only)
\$84-70	<ul style="list-style-type: none"> · Preppie and Proud

Scholars may increase their DREAM Dollars by exceeding expectations during a given week. Examples of behaviors that may warrant (but do not guarantee) an increase in DREAM Dollars includes, **but is not limited to:**

- Showing contagious enthusiasm
- Displaying exemplary organization
- Improvement resulting from extra effort
- Taking extraordinary initiative
- Doing extra independent work
- Volunteering to help
- Displaying leadership
- Doing the right thing when others aren't
- Assisting staff member
- Tutoring Peer
- Beautifying the school or class
- Other exemplary behavior

Scholars will decrease their DREAM Dollars when they fail to meet expectations. If a Scholar commits infractions that violate our community or Code of Conduct, the Scholar will receive a deduction from his/her paycheck. In addition to the deduction, the Scholar may receive additional targeted, corrective consequences and/or lose other school privileges as determined by Achievement Prep staff.

Examples of infractions that **may** warrant a deduction include, but are **not** limited to:

- Being out of uniform (e.g., shirt is untucked)
- Arriving late to class
- Being unprepared for class
- Poor posture during class
- Making inappropriate noises during class
- Failing to follow directions or procedures of the class or school
- Talking out of turn
- Other behaviors deemed inappropriate by school staff

The school reserves the right to add or deduct DREAM Dollars for examples of very good or very poor behavior.

Teachers are constantly monitoring Scholars' Paycheck and enforcing consequences for Scholars who have significant deductions. Additional consequences may be enforced at the teacher's or administrator's discretion based upon the severity of the infractions.

At the end of each "paycheck week", a Scholar's DREAM Dollars are transferred into the Scholar's DREAM Dollars Bank. Scholars may use accumulated DREAM Dollars to spend on prizes (e.g., school supplies, lunches with staff members, gift certificates, tickets to sporting events) at the DREAM store or during DREAM auctions. The amount of money a Scholar earns over time also determines his/her eligibility for field trips and incentive activities offered by the school. Scholars are not penalized for spending their money at the DREAM store; field trip eligibility is determined strictly by dollars EARNED and is not inclusive of dollars spent. Further, money is not deducted from Scholars' accounts when they attend field trips.

Weekly Paychecks are sent home for review and to be signed by parents/guardians. If a Paycheck is not returned the day it is due, a Scholar loses Twenty DREAM Dollars (\$20.00) from his/her DREAM Dollars bank.

Over time, a Scholar's average weekly Paycheck is also monitored. Scholars with **high Paycheck averages** earn rewards, including but not limited to:

- invitations to the DREAM Store, where they may use DREAM Dollars in their bank to purchase:
 - school celebration invitations,
 - school dance invitations,
 - field trip invitations, and
 - "golden" and "silver" passes (a series of privileges reserved only for Scholars with the highest Paycheck averages)

Scholars with **low Paycheck averages** lose privileges and receive other consequences. Specifically:

- Scholars are not invited to the DREAM store.
- Scholars cannot participate in various extra-curricular activities (i.e. school celebrations, school dances, or school field trips).

Low Paychecks

Scholars who receive less than \$70 on their weekly Paycheck will be required to attend Wednesday Reflection in lieu of participating in the weekly celebration of Preppie & Proud.

Scholars who repeatedly earn Wednesday Reflection are not displaying behaviors that are acceptable at Achievement Prep. We have implemented a level of intervention that we hope will help scholars make better choices and improve their behavior and weekly Paychecks.

Achievement Prep will respond to Scholars who have consecutive weeks of Paychecks lower than \$70 as follows:

- **1st week of consecutive below \$70 Paycheck:** typical Wednesday Reflection
- **2nd week:** Parent meeting with Dean of Solutions, scholar and parent
- **3rd week:** 1 day of Out of School Suspension (parent does not have to come in for re-entry meeting.)
- **4th week** Achievement Prep will enact SST process to try to determine the root of the scholar's issues

Ensuring Consistency in Implementation

The Paycheck System is designed to be an objective approach for managing Scholar behavior, and it provides for a structure in which Scholars and teachers are clear what the consequences are for specific behaviors. The system also empowers the teachers to manage behavioral problems within their classroom, while communicating effectively with other teachers throughout the school.

Although the above procedures represent the consistent and planned approach for dealing with behavior problems, the school reserves the right to modify this system at any point in the school year. This may involve changing the amount of DREAM dollars Scholars are eligible to receive, revising the level of infractions, and/or overhauling the entire Paycheck system as needed. The school recognizes that Paycheck system needs to be flexible to meet the needs of teachers and Scholars.

E. Detention, Suspensions and Expulsion

It is the philosophy of Achievement Prep that scholars should never be removed from a learning opportunity unless their presence prevents others from learning or poses an extreme safety risk to others or the Achievement Prep community. In rare instances, however, a scholar must be suspended or expelled for the safety of the school community, or integrity of the learning environment.

Detention

A Scholar can earn a detention by earning an automatic detention. Automatic detentions are given for infractions more serious than deductions, but not worthy of a referral to the Dean of Solutions. The following, although **not exhaustive**, are examples of infractions that will result in an automatic detention:

- Disrespect to peer
- Disrespect to adult
- Responding to consequence inappropriately (smacking lips, mumbling, physical display)
- Refusing to respond to staff member or follow specific direction
- Using inappropriate language (e.g., “shut-up,” “stupid,” “hell” etc.)
- Making inappropriate contact (incl. kiss, hug, “playful” bumping, accidental trip etc.)
- Disrupting class deliberately
- Horse playing or engaging in physical contact that causes a disruption
- Throwing items inside building
- Sleeping or attempting to sleep
- Using a cell phone, pager, or other electronic communication device
- Possession of gum, candy or soda
- Other unacceptable behavior

Detention takes place during lunch. Those Scholars will serve detention for the entire lunch period. Scholars serve detention the day after it was earned. For example, if a scholar earns detention on Monday, regardless of the time of day, he/she will serve that detention on Tuesday during lunch. Achievement Prep will make every effort possible to notify families when a scholar has earned detention.

If a Scholar is not successful in lunch detention, he/she will be required to report to the Dean of Solutions’ office for additional consequences administered at the discretion of the Dean of Solutions.

In-Class Suspension

At times, particular infractions warrant consequences that are more severe than loss of DREAM Dollars or detention, but less severe than Out-of-School Suspension. Therefore, Achievement Prep has an In-Class Suspension model ensuring that Scholars have access to the curriculum and are still learning in the class while at the same time ensuring that Scholars face serious consequences.

Examples of infractions that *may* warrant In-Class Suspension from the community include, but are *not* limited to:

- Disrupting detention or Wednesday Reflection
- Lying or other dishonesty
- Skipping school, after school commitments, or Saturday Academy
- Failure to respond to other behavioral consequences

In addition, Scholars who have not met behavioral expectations over an extended period of time, as measured by a Paycheck score less than a specific school-determined threshold, may face In-Class Suspension.

Requirements for In-Class Suspension

In the morning, Scholars who have been assigned In-Class Suspension will need to check in with Dean of Solutions who will reiterate the expectations of In-Class Suspension. Scholars on In-Class Suspension will:

- Attend classes, receive instruction and complete class work.
- Not be permitted to communicate with any Scholars throughout the day, including during breaks and lunch, except as specifically instructed by a teacher during an academic discussion.
- Not participate in selected class activities, as determined by each teacher.
- Attend Lunch detention.
- Not attend reward events including field trips, dances etc. (exceptions may be made in extraordinary circumstances at the sole discretion of the school administration).

Violation of the requirements of In-Class Suspension may result in additional days of In-Class Suspension or an out-of-school suspension. Scholars will not be allowed to participate in field trips and other class rewards while In-Class Suspended. Furthermore, in order to promote and uphold our school community's values and Code of Conduct, Scholars who communicate with a Scholar who is currently In-Class Suspended will receive a consequence determined in the sole discretion of the school.

The number of days on In-Class Suspension, determined by a school administrator, will be commensurate with the severity of the behavioral infraction. Parents of those Scholars who have been assigned In-Class Suspension will be contacted by the school. A parent meeting may be required.

Out of School Suspension

To create and maintain a safe, supportive, fair and consistent school community and culture, Achievement Prep will suspend scholars from school when there are serious or persistent, pervasive breaches in the discipline code. A scholar may be suspended for one to three days with the approval of the Director of Scholar Support or Head of School. Administration can decide suspension of a greater length after discussion with the Head of School.

In most cases cause for suspension include physical violence, persistent and pervasive disruption of the learning environment with little to no progress in modifying the behavior. This might include, for example, repeated hitting or pushing of other scholars with no improvement after several days intervention; multiple instances that disrupt the emotional and physical safety of the learning environment such as throwing chairs, crawling under desks, throwing material at others, etc.

In addition to physical aggression toward adults or scholars, other causes for suspension may include but are not limited to:

- Being in an unauthorized area of the building without an adult, including, but not limited to, running to and through the building
- Gross disrespect of a fellow Scholar, including both physical and verbal assault, and persistent bullying
- Gross disrespect of faculty, staff, visitor, or school transportation provider
- Damaging, destroying, or stealing personal or school property or attempting to do so (including graffiti)

- Harassment or violent threats
- Using or possessing tobacco products
- Possessing, using, or dispensing alcohol, firecrackers or illegal substances such as drugs (Any illegal substances will also be reported to the police, as required by law.)
- Committing sexual, racial, or any form of harassment or intimidation
- Using abusive, vulgar or profane language
- Making verbal or physical threats, empty or otherwise
- Setting off false alarms
- Gambling
- Leaving school grounds without permission
- Accruing a substantial number of referrals to the Reset Room during class
- Repeated offenses for which the Scholar has already earned behavioral consequences.

As with all misbehaviors at Achievement Prep, when a scholar is suspended he knows the reason for the suspension; what he should do while away from school; and steps he can take to meet expectations when he returns.

In-School Suspension

When it is determined that a scholar needs to be sent home for the day and we are unable to reach the family member, the scholar serves an in-school suspension. In this case, he or she is no longer permitted in class, and spends the remainder of the school day supervised in one of the school offices while doing their schoolwork. The scholar's suspension will then begin the next day.

Expulsion

Expulsion is defined as the exclusion from Achievement Prep on a permanent basis. Under federal law, if a Scholar is in possession of a) a dangerous weapon, b) drugs, or c) alcohol on school property, on the school bus, or at a school-sponsored function, then the Scholar will automatically be recommended for expulsion. Likewise, if a Scholar physically assaults a faculty member, the Scholar will likely be recommended for expulsion.

Further, Achievement Prep has the authority to recommend the expulsion of Scholars for behavioral infractions including, **but not limited to**, the following:

- Repeated, deliberate and fundamental disregard of school policies and procedures
- Assault (i.e. threatening assault, hitting, kicking, punching, slapping, pushing) against fellow Scholars or other members of the school community
- Theft or destruction (or attempted theft or destruction) of personal or school property including arson
- Harassment and violations of civil rights, as delineated in the Achievement Prep Scholar and Family Handbook

In addition to any of these infractions, any breaches of Federal or District of Columbia law may be handled in cooperation with the local police department and may result in expulsion.

Procedures/Due Process:

For Short-Term Suspension (see below for procedures for long term suspension)

If a Scholar commits an offense that calls for short-term suspension (10 days or less), the Scholar is afforded the due process rights required by *Goss v. Lopez*, 419 U.S. 565 (1975). Such Scholar is subject to the following:

- If necessary, the Scholar is immediately removed from class and/or school.
- The Dean of Solutions or his/her designee addresses the conduct and assigns an appropriate consequence.
- The family is notified in writing by the Dean of Solutions or his/her designee; a parent/guardian may be required to meet with the Dean of Solutions regarding infractions prior to the Scholar's return to school.

For Disciplinary Action: Long-Term Suspension or Expulsion

If a Scholar commits an offense that calls for long-term suspension (more than 10 days) or expulsion, the following steps are taken:

- If necessary, the Scholar is immediately removed from class and/or school.
- The family is notified in writing by the Dean of Solutions of the long-term suspension or recommendation for expulsion.
- The school sets a hearing date (such date shall not be later than three (3) business days after the incident occurred); the Scholar and/or his parent/guardian are notified in writing of the:
 - charges and a statement of the evidence; and
 - date, time and place of a hearing
- A hearing will be convened by the Disciplinary Board of the school. The Disciplinary Board shall consist of the Director of Academic Achievement, Dean of Solutions, and the Families and Community Coordinator, or any other individual(s) selected at the discretion of the Head of School, to be part of the Disciplinary Board. In rare cases and at his/her discretion, the Head of School may serve as a member of the Disciplinary Board.
- After hearing the case, the Disciplinary Board will issue a written decision to be sent to the parent/guardian of the Scholar, the school's Board of Trustees, and the Scholar's permanent record.
- The family of any Scholar who is expelled or given a long-term suspension (more than 10 days) has the right to appeal the decision of the Disciplinary Board in writing to the Head of School (or to the Board of Trustees in the event the Head of School serves as a member of the Disciplinary Board, in which case the appeal procedures set forth below shall prevail) within 48 hours of the date of expulsion. In such a case, the Head of School sets a date for the appeal, and the family is notified in writing pursuant to the procedure set forth above and given Achievement Prep's Disciplinary Board Appeal Procedures – set forth below.

PURPOSE:

As part of its disciplinary procedures, a parent or guardian of a scholar who is expelled or given a long-term suspension (more than 10 days) has the right to appeal the decision of the Disciplinary Board in writing to the Head of School (or to the Board of Trustees in the event the Head of School serves as a member of the Disciplinary Board, in which case the appeal procedures set forth below shall prevail) within 48 hours of the date of expulsion/long-term suspension. In such a case, the Head of School sets a hearing date and the family is notified in writing.

The purpose of the appeal hearing shall be to review the decision(s) made by the Disciplinary Board. This means that the case will not be re-heard. Instead, the Head of School will review information used in the original hearing, as well as any other additional information the scholar/family provided in support of their appeal. The decision made by the Head of School will be made in light of the reason identified for the basis for appeal.

The scholar/family requesting an appeal identifies the reason for their appeal. The Head of School reviews the information regarding how the initial decision(s) was made, and may make one of three decisions:

- To grant the appeal in its entirety
- To deny the appeal and uphold the decision made by the Disciplinary Board
- To modify the decision(s) made by the Disciplinary Board

Except in extraordinary circumstances, witnesses are not part of the appeal process. During the appeal, the scholar and family meet individually with the Head of School who is hearing the appeal. A procedural advocate may be present at the request of the scholar/family.

REASON FOR APPEAL:

A scholar/family may only appeal based on one or more of the following:

- **The decision regarding the scholar's responsibility for a violation** – The standard used to make a decision about whether or not the scholar is responsible for violating the Code of Conduct is closest to the term “preponderance of evidence”. This means that, based on the information available at the time, it is more likely than not that a violation has occurred. In appealing a decision regarding responsibility for a violation, the scholar/family must indicate how the decision that was made was not a reasonable conclusion based on information available to the Disciplinary Board.
- **Sanction** – Appealing for this reason alleges that the sanction imposed is inappropriate or unreasonable. In the appeal, the scholar/family must outline how the sanction was disproportionate given the violation committed.
- **Procedural Error** – Because this is not a court of law governed by court rules, the Disciplinary Board is expected to conduct the original hearing in conformity with procedures described in the Scholar Family Handbook under the “Expulsion - Procedure/Due Process” section. Appealing on the basis of a procedural error means that one of these standards/expectations was not upheld and that it had a substantial impact on the fairness of the disciplinary process and the outcome of the hearing.
- **New Evidence** – An appeal based on “new evidence” means that the scholar/family now has additional information that was not available at the time of the hearing and that that information would have had a substantial impact on the outcome of the hearing. If the scholar/family appeals on this basis, they must indicate in the appeal what new information is now available, how the information is sufficient to alter the original decision, and why the information was not provided at the time of the original hearing.

PROCEDURE:

The following procedures will be followed in their entirety and should not vary:

- The Head of School will review the decision made by the Disciplinary Board, including the minutes from the hearing and all information considered by the Disciplinary Board in reaching its decision.
- The Head of School will meet individually with the family/scholar to discuss the basis for the appeal. The purpose of the meeting is to provide the scholar/family with an opportunity to share their appeal request. The Operations Manager or other designated staff member, other than a member of the Disciplinary Board, will be present as a neutral third party to observe and will not participate in the hearing.
- The Head of School, at his/her discretion, may or may not ask additional questions of the scholar and/or family.
- After hearing the case, the Head of School issues a written decision within twenty-four (24) hours (excluding weekends or holidays) to be sent to the Scholar, the family, the school's Board of Trustees, and the Scholar's permanent record.

In the event the Head of School upholds the decision of the Disciplinary Board, the Scholar will have a last right to appeal such decision in writing to the Board of Trustees within five (5) days of the date of the Head of School's upholding of the expulsion.*

Any appeal is heard (*at the sole discretion of the Board Chair*), by the Board Chair, the Vice Chair and another trustee designated by the Board Chair, or by a Trustee subcommittee (of one or more Trustees designated by the Board Chair). In such a case, the Board sets a hearing date and the Scholar and his/her family are notified in writing of the date, time and location of the hearing, and the appeal procedures set forth above shall be in full force and effect. PLEASE NOTE – the Chair of the Board of Trustees may schedule hearings at his/her discretion, but may also decide to review and appeal of a case based solely on a review of the documentation provided and NOT hold a meeting in person with the scholar and his/her family.

After hearing the case or deciding a case based on review of documentation, the Board of Trustees issues a written decision to be sent to the Scholar, the Scholar's family, the Head of School, and the Scholar's permanent record. The decision of the Board of Trustees shall be final.

* Notwithstanding the foregoing, the right to appeal to the Board of Trustees shall only exist in the event that the Head of School upholds the decision of the Disciplinary Board in its entirety. Should the Head of School modify the original decision of the Disciplinary Board, the modified appeal decision issued by the Head of School shall be final and there shall be no right to further appeal.

The Achievement Prep Board Chair for the 2012-2013 SY is John Green and he can be reached at 202-352-5239 or via email at jmargreen@gmail.com

Notwithstanding the foregoing, the school may convene the Disciplinary Board for a hearing to discuss a serious matter/school violation that is serious enough in nature to warrant the same, but is non-expulsion.

Procedural Safeguards

Whenever an expulsion hearing is recommended, the above procedural safeguards will always be in effect:

- The Scholar shall receive written notice of the following:
 - A letter stating the charges against him/her; and

- date, time and place of a hearing.
- Notices and proceedings will be translated into the Scholar's/parent's primary language if necessary for their understanding of the proceedings.
- A Scholar and/or parent, upon request, will have the right to review the Scholar's records in accordance with applicable law.
- All decisions regarding long-term suspension or expulsion of a Scholar will be issued to the Scholar's family in writing.

Alternative Instruction

Only to the extent required by law, Achievement Prep will provide alternative instruction to Scholars who have been recommended for expulsion while awaiting a determination by the Head of School or the Board of Trustees. The alternative instruction, only as required by law, will begin no later than two (2) days after the determination is made by the Disciplinary Board or Head of School to expel a Scholar. The alternative instruction will occur during the school day at school, or if the scholar's infraction/behavior was so egregious that he/she should not be allowed in the school (as determined by the Head of School in his/her sole discretion), such instruction shall take place at the Scholar's home, the nearest public library, or another place, other than the school, agreed upon by the school and the family. This alternative instruction will continue for the duration of the time the Scholar awaits disposition on his or her expulsion hearing. The school will provide alternative instruction to expelled Scholars to the extent required by law. To the extent required by law, Achievement Prep will also provide alternative instruction for suspended Scholars for the first 10 days of suspension.

Record-Keeping

Achievement Prep will maintain written records of all suspensions and expulsions, including the name of the Scholar, a description of the offending behavior, the disciplinary action taken, and a record of the number of days a Scholar has been suspended or removed for disciplinary reasons. As required, such information will be furnished to the DC Public Charter School Board.

E. Discipline of Scholars with Special Needs

Federal and state law provide certain procedural rights and protections relating to discipline of Scholars who have been identified under such laws as having special needs based upon a disability. A copy of these rights may be obtained from the Scholar Support Coordinator

F. Gang Affiliation

Achievement Prep has adopted this policy pursuant to District of Columbia law, in recognition of the fact that gang activities at school threaten the welfare and safety of Scholars and others in the school community. The term "gang" as used in this policy refers to all groups of three or more individuals who share a common interest, bond, or activity characterized by criminal, delinquent, or otherwise disruptive conduct engaged in collectively or individually.

The purpose of this policy is to protect the health, safety, and welfare of those in the school community and to prevent the initiation or continuation of gang membership and gang activity in our school.

Prohibited gang affiliation or appearance includes: any manner of grooming or apparel, including clothing, jewelry, hats, emblems, and badges which by virtue of color, arrangement, trademark, or other attribute is associated with or denotes membership in or affiliation with any gang will not be allowed in school buildings or on school grounds, at school-sanctioned activities and events, or school-sponsored transportation. Gestures, signals, or graffiti that denote gang membership or activities are prohibited in the school building and on school grounds, at school-sanctioned activities and events, and on school-sponsored transportation. The prohibition against gang-related apparel and actions will be applied at the discretion of the staff at Achievement Prep. Consequences will be applied according to the circumstances of the infraction and may include suspension or expulsion. Achievement Prep will communicate with law enforcement regarding this policy in order to further its purposes.

G. Scholar Searches

In order to maintain the security of all its Scholars, Achievement Prep staff reserve the right to conduct searches of its Scholars and their property when there is reasonable suspicion to do so. If searches are conducted, the school will work to ensure that the privacy of the Scholar is respected to the fullest degree possible, but will balance such concerns with its predominant interest in maintaining Scholar safety and discipline. Such searches will take place in the presence of a school administrator and at least one other staff member. The parent(s) or guardian of a searched Scholar will be notified as soon as possible to inform them that a search is about to or has just occurred. Should a Scholar refuse to cooperate with a search request, the school will confiscate the property in question. School cubbies and desks, which are assigned to Scholars for their use, remain the property of Achievement Prep, and Scholars should, therefore, have no expectation of privacy in these areas.

H. Field Trips/End-of-Year Events

The school's curriculum may sometimes require outside learning experiences or special school events. During these activities, it is important for all Scholars to be responsible for their behavior since the site of the activity or event is a temporary extension of the school grounds.

A permission slip that allows Scholars to attend all school-sponsored field trips and events will be sent home at the beginning of the school year and should be signed by a parent or guardian. The school will attempt to notify all parents and guardians before each school-sponsored trip. For trips that are not school-sponsored (e.g., voluntary trips), a permission slip will be sent home prior to the trip/ event, and must be signed by a parent or guardian.

A Scholar may be considered ineligible for a trip for reasons including but not limited to: low Paycheck average, not returning the school-sponsored trip permission form, involvement in a disciplinary incident on a prior trip, poor school attendance, misbehavior in school in the days prior to the trip, etc.

If parents or other volunteers assist with such trips or events, Scholars must afford these chaperones the same respect they would provide to teachers. Appropriate behavior must be maintained when attending school-sponsored events, and riding on school-provided transportation. Past inappropriate behavior, or excessive Paycheck deductions and/or suspensions, may result in loss of privileges in attending or participating in class trips and events, end-of-year or otherwise.

I. Grievance Procedures for the Parents or Guardians of Scholars

It is the policy of Achievement Prep that all employees, Scholars, parents, and visitors have the right to voice their complaints or grievances about matters pertaining to its school.

The Head of School will immediately initiate an adequate, reliable, impartial investigation of the grievance. Each formal complaint will be investigated, and depending on the facts involved in each situation, will be decided after receiving information from the appropriate individuals. All documentation related to the investigation and discussions held in this process are considered EXTREMELY CONFIDENTIAL and are not to be revealed to or discussed by any participant with, persons not directly involved with the complaint, with its investigation, or with the decision making process. This provision does not include discussions with the governmental authorities.

Within thirty (30) business days of receiving the written notice, the Head of School shall respond in writing to the grievant (the "Response"). The Response shall summarize the course of the investigation, determine the validity of the grievance, and the appropriate resolution.

If, as a result of the investigation, harassment, or a valid grievance is established, appropriate corrective and remedial action will be taken.

7. Prohibition Against Retaliation

Achievement Prep pledges that it will not retaliate against any person who files a complaint in accordance with this policy, or any person who participates in proceedings related to this policy.

In addition, Achievement Prep will not tolerate any form of retaliation against any person who makes a good faith report or complaint about perceived acts of harassment, discrimination, or concern, or who cooperates in an investigation of harassment, discrimination, or a concern. Any person who is found to be engaging in any kind of retaliation will be subject to appropriate disciplinary action.

8. Modification

Achievement Prep may approve modification of the foregoing procedures in a particular case if the modification (a) is for good cause, and (b) does not violate due process rights or policies of Achievement Prep.

Achievement Prep does not provide transportation to or from school. It is the responsibility of the family to get their Scholar to and from school in a timely manner. When applicable, Achievement Prep will provide or cover the cost of transportation for school sponsored events taking place off of school grounds.

B. Emergency Plan

Achievement Prep has monthly drills to practice safe, speedy, and calm evacuations of the building in the case of an emergency. If you are in the building at the time of an emergency, please be aware of our safety procedures:

Scholar Fire Plan

1. Follow the Exit plan posted at the door of each classroom.
2. LISTEN to the teacher and/or the adults that are giving directions.
3. Exit the classroom silently and orderly and exit the building through your designated exit.
4. Continue down the stairs in single file.
5. Once outside, proceed to the blacktop in the rear of the building, farthest from the building.
6. Line up with the teacher with whom you exited and stand silently while all Scholars are accounted for.
7. Remain in the designated assembly area until ALL CLEAR signal is issued.
8. If necessary, Scholars will be escorted to our back up facility, THEARC located at 1900 Mississippi Avenue, SE, Washington, DC 20032.

C. Health Care

Medical Records

District of Columbia law requires all Scholars enrolling in a new school to have a physical examination before entering the school. Before a Scholar can enroll in the school, the school must have on file the following forms:

- *Medical Requirements Checklist.* This form contains records showing that the Scholar has: 1) had a physical exam in the six months prior to the start of the school year; 2) up-to-date immunizations; and 3) permission to receive screening for vision, hearing, and scoliosis.
- *Health Information Form.* This form provides important information about a Scholar's emergency contacts, health care providers, and insurance. Most importantly, it gives the school permission to initiate emergency medical treatment in the event that a parent or guardian cannot be reached.
- *Authorization To Dispense Medication Form.* If a Scholar requires medication while in school, the school must have on file an authorization to dispense medication form, filled out by the Scholar's physician. No Scholar is allowed to bring medication to the school without the school's full knowledge. Scholars who have provided the school with medication dispensation authorization forms should bring the medication (other than Tylenol and ibuprofen, which the school will stock keep in stock in the health office) to the school on the first day, or contact to the school to make

other arrangements. All medication must be presented in its original container from the pharmacy and must be brought in by a parent or accompanied by a note from the parent.

The medication dispensation authorization form requirement applies to all medication, including Tylenol and ibuprofen. If a Scholar needs to take Tylenol or ibuprofen during the school day, the Scholar must have on file the authorization signed by his or her physician and a parent or guardian, giving the school permission to administer the medication during the school year. The medication dispensation authorization form requirement also applies to asthma inhalers, which Scholars should keep in their backpacks. If a Scholar needs to use his/her asthma inhaler during the school day, he/she should go to the health office to self-administer the inhaler.

Health and Illness

The school requests that children do not come to school if they are ill. If school staff believes that a Scholar needs to see a doctor, is contagious, increases the risk of illness to other children, or requires prolonged individual staff attention that interferes with the safety and regular functioning of the classroom, the school will contact families and ask them to pick up and take their Scholar home.

Parents will be contacted if a Scholar has a moderate-to-high-fever; is experiencing vomiting or diarrhea; shows signs of contagious diseases; and/or has an illness that prevents the Scholar from participating in activities.

D. Closed Campus

Achievement Prep is a closed campus. Achievement Prep hours are between 7:30 a.m. and 4:00 p.m. during which all Scholars must remain on the campus as defined by the school unless supervised by a staff member. Scholars who are excused at dismissal time may leave campus if they do not have other obligations. When on campus, Scholars must always be in class and under supervision of an adult.

E. Drug Free Environment

Achievement Prep has a vital interest in maintaining safe, healthy and efficient working conditions for its employees and Scholars. The use or abuse of alcohol or drugs can have a serious adverse effect on quality, safety and productivity. Achievement Prep maintains a drug-free workplace. The consumption of or the possession, sale, use and/or distribution of illegal drugs on our premises, at Achievement Prep-sponsored events, or while conducting Achievement Prep business is prohibited. Offenders will be subject to disciplinary action, up to and including expulsion.

F. Visitor Policy

Parents are welcome and encouraged to visit Achievement Prep at anytime during the school year. All visitors are required to report to the Main Office upon entering the building. Any visitor who does not report to the Main Office or is found in the building without authorization will be asked to leave immediately.

In case of an emergency, parents or guardians should contact the Main Office either by phone or in person. Under no circumstances should parents or guardians contact Scholars in their classrooms or attempt to remove Scholars from the building without notifying and receiving permission from staff members in the Main Office.

G. Nondiscrimination

Achievement Prep does not discriminate in admission to, access to, treatment in, or employment in its services, programs and activities, on the basis of race, color or national origin, in accordance with Title VI of the Civil Rights Act of 1964 (Title VI); on the basis of sex, in accordance with Title IX of the Education Amendments of 1972; on the basis of disability, in accordance with Section 504 of the Rehabilitation Act of 1973 (Section 504) and Title B of the Americans with Disabilities Act of 1990 (ADA); or on the basis of age, in accordance with the Age Discrimination in Employment Act of 1974 (ADEA). In addition, no person shall be discriminated against in admission to Achievement Prep on the basis of race, sex, color, creed, sex, ethnicity, sexual orientation, mental or physical disability, age, ancestry, athletic performance, special need, proficiency in the English language or a foreign language, or prior academic achievement. Finally, no person shall be discriminated against in obtaining the advantages, privileges or access to the courses of study offered by Achievement Prep on the basis of race, sex, color, religion, national origin, or sexual orientation.

H. Harassment

Achievement Prep is committed to maintaining a school environment free of harassment based on race, color, religion, national origin, gender, sexual orientation, or disability.¹ Harassment by administrators, certified and support personnel, Scholars, vendors and other individuals at school or at school-sponsored events is strictly prohibited. Achievement Prep requires all employees and Scholars to conduct themselves in an appropriate manner with respect to their fellow employees, Scholars and all members of the school community.

Definition Of Harassment

In General. Harassment includes communications such as jokes, comments, innuendoes, notes, display of pictures or symbols, gestures, or other conduct that offends or shows disrespect to others based upon race, color, religion, national origin, gender, sexual orientation, or disability.

What one person may consider acceptable behavior may reasonably be viewed as harassment by another person. Therefore, individuals should consider how their words and actions might reasonably be viewed by other individuals. It is also important for individuals to make it clear to others when a particular behavior or communication is unwelcome, intimidating, hostile or offensive.

Sexual Harassment. Sexual harassment includes sexual advances, requests for sexual favors, and/or other verbal or physical conduct of a sexual nature when:

Acceptance of or submission to such conduct is made either explicitly or implicitly a term or condition of education.

The individual's response to such conduct is used as a basis for educational, disciplinary, or other decisions affecting a Scholar.

Such conduct interferes with an individual's education or participation in extra-curricular activities.

The conduct creates an intimidating, hostile or offensive work or school environment.

Harassment and Retaliation Prohibited

¹ This policy pertains to harassment of Scholars only. The policy governing complaints of harassment by staff members is contained in Achievement Prep's Employee Handbook.

Harassment in any form or for any reason is absolutely forbidden. This includes harassment by administrators, certified and support personnel, Scholars, vendors and other individuals in school or at school related events. In addition, retaliation against any individual who has brought harassment or other inappropriate behavior to the attention of the school or who has cooperated in an investigation of a complaint under this policy is unlawful and will not be tolerated by Achievement Prep.

Persons who engage in harassment or retaliation may be subject to disciplinary action, including, but not limited to reprimand, suspension, termination/expulsion or other sanctions as determined by the school administration and/or Board of Trustees.

I. Internet Acceptable Use Policy

Acceptable Use

The Internet is a global network linking computers around the world. Internet use provides valuable opportunities for research, curriculum support, and career development. Achievement Prep offers Internet access to its Scholars and staff. The primary purpose of providing access to the Internet is to support the educational mission of Achievement Prep. Achievement Prep expects that Scholars and staff will use this access in a manner consistent with this purpose.

While the Internet is a tremendous resource for electronic information, it has the potential for abuse. Achievement Prep makes no guarantees, implied or otherwise, regarding the factual reliability of data available over the Internet. Users of the Achievement Prep Internet service assume full responsibility for any costs, liabilities, or damages arising from the way they choose to use their access to the Internet. J. School Property

Achievement Prep expects Scholars to treat school property and equipment with care and responsibility. School property includes the building and grounds, equipment including all technology, books and any other material possession of Achievement Prep. Intentional actions to damage or harm school property will lead to a suspension and may lead to an expulsion hearing. Should the damage be deemed as an unintentional act, Scholars may be given the option of reimbursing the school and/or completing community service determined at the discretion of Achievement Prep.

K. Personal Property

All property brought to school is brought at the owner's risk. Achievement Prep does not assume responsibility for any property belonging to Scholars. Distracting or inappropriate objects will be taken from a Scholar and returned at the end of the day. Repeated violations will require a parent conference. The school's lost and found is located in the main office. Items not claimed within a month are donated to charitable organizations.

M. School Fees

Parents/Guardians may be responsible for paying school assessed fees for additional services provided by the school. If applicable, a fee schedule will be provided to parents at the beginning of each school year.

N. Scholar Records

Achievement Prep maintains important information files on each Scholar. Parent(s)/guardian(s) and Scholars may review those records with reasonable advance notice given to the school. School officials may obtain access to your records for educational purposes only. All individually identifiable educational information is confidential except for "directory" information. Directory information includes the Scholar's name, date of birth, dates of attendance, degrees and other honors awarded.

O. Release of Photographs and Other Information

Achievement Prep will periodically create publications to highlight Scholar achievement, school life and school events and will maintain a regular website with this information. These publications and websites will be developed for the purposes of admissions, public relations, fundraising, and other uses that promote the school. From time to time, the school may also get media requests to highlight the school and its Scholars.

During the registration process, each parent/guardian will be provided with a Scholar Media Release and Scholar Displays form. The school will honor these forms, such that Scholar photographs will be included in publications only if the parent/guardian has granted permission.

P. Distribution of Published Materials or Documents

Publications prepared by and for the school may be posted or distributed to the greater community, with prior approval by the Head of School, Advisor, or teacher. Such items may include school posters, brochures, murals, etc. The school newspaper and the yearbook are available to Scholars. All school publications are under the supervision of a teacher, sponsor, and the Head of School.

Unless a Scholar obtains specific prior approval from the Head of School, written materials, handbills, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials may not be

posted, sold, circulated, or distributed at school or on campus. Materials displayed without this approval will be removed.
