

URGENT CHANGE - NEW DATES FOR MATERIALS PICK UP

Dear Achievement Prep Families:

Due to regional Stay-at-Home orders, we are experiencing an unexpected delay with the printing company. In turn, we need to delay the pick-up of printed materials. Educational institutions are deemed "essential" according to Section IV.4 of the Mayor's Order 2020-053, so in-person distribution will still occur as described below. We sincerely apologize for any inconveniences this may cause for you and your family as we navigate the COVID-19 pandemic.

NEW PICK-UP DATES! Learning Materials for Scholars:

As promised, electronic copies will be available online beginning tomorrow, Wednesday, April 1st at www.achievementprep.org/RemoteLearning for those of you who have access and ability to print. **For families who do not have access and/or desire hard copies of materials, we will distribute learning materials to scholars/families at the times and locations below:**
